

**Governors' Regional Collaboration Blueprint
Environmental Education Plan 2009-2014**

**Spring 2008
SAMPLE AGENDA**

- 1:00 PM – 1:45 **Welcome and Meeting Purpose, Background**
- Welcome and Introductions
 - Review the GOMA program including its history, structure, and issues.
 - Discuss Environmental Education Workgroup actions and accomplishments to date.
- 1:45 PM – 2:15 ***Governors' Regional Collaboration Blueprint***
- Identify items from current Action Plan that should be continued.
 - Group Exercise: Identify environmental education needs for the next five years. Consider how the Workgroup should address the priority issues of water quality, nutrient loading, habitat and restoration, resiliency and other environmental education topics not covered by other four priority issues.
 - Assess environmental education needs moving “up the watershed.”
- 2:15 PM **Small Group Discussions**
- Participants will identify action items and needs specific to target audiences; K-12, Decision-Makers, and Community.
- 3:30 PM **Break**
- 3:45 PM **Report Out & Prioritize Environmental Education Actions**
- 4:45 PM **Next Steps and Workshop Evaluation**
- 5:00 PM **Adjourn**
