

PIT Working Sessions  
Action Plan Integration and Implementation Workshop  
Gulf of Mexico Alliance

# Charge to the Priority Issue Teams

Alliance Management Team  
July 10, 2007

# Pre-Workshop Accomplishments

All five Priority Issue Teams (PIT) worked in advance of this meeting to:

1. Categorize each Action Blueprint Step as:
  - Complete
  - On Track
  - Not On Track
2. Prioritize for discussion those Action Blueprint Steps that still need work

# Our Charge

*Identify critical activities that the Alliance partnership must undertake to complete implementation of the Governors' Action Plan by March 2009*

During PIT Working Sessions from 1:15 to 5:00 PM today:

- For high priority Action Blueprint Steps, discuss how to “fill the gaps” in existing implementation plans
- Identify where your organization may be able to make a commitment towards these implementation plans

# Report Out

## Suggested Presentation Structure

- Review of what's been done and what remains to be done, noting number of Action Blueprint Steps complete, on track, and not on track
- Review revised implementation plans for high priority Action Blueprint Steps
- Leave 5 minutes for questions and discussion

Any presentation format is acceptable (no template)

State PIT lead is default presenter

Presentation order for Wednesday, July 11, at 8:00 am

- Water Quality
- Nutrient Reduction
- Environmental Education
- Habitat Identification
- Coastal Restoration
- Coastal Community Resiliency

# Thank You For Your Efforts ...

*The Alliance Management Team thanks all of you for your time and effort. We hope this advance work will maximize the productivity of our short time together.*
